Revised: 1 January 1999

The information shown on these charts represents the waterways and adjacent areas as depicted from uncontrolled aerial photography exposed in 1992 and is not in anyway to be construed as representing precise or accurate dimensions, portrayals, features, or other data. Major changes which occur will be published in "NOTICES TO NAVIGATION INTERESTS."

The general locations of AIDS-TO NAVIGATION are shown as they existed on the last editing date of this book. They may subsequently have been moved,, destroyed or discontinued. They should in no event be used to fix the position of a vessel.
